Not a good bowler? Don't worry!

You won't be bowling with your "good" hand for very long anyway.

Get ready for twists and turns and new ways to bowl with your elbow
or standing on your head.

Who knows what's in store!?!?!?

One thing we know is that if you don't show up, you won't find out!

RSVP NOW!

We need to know if you are coming so we can
grease up your shoes.
